## Legislative Council of India.

THE 26TH MAY 1860.

THE following Act, passed by the Legislative Council of India, received the assent of the Right Honorable the Governor General on the 21st May 1860, and is hereby promulgated for general information :—

ACT No. XXI OF 1860.

*An Act for the Registration of Literary, Scientific, and Charitable Societies.*

WHEREAS it is expedient that provision should be made for improving the legal condition of Societies established for the promotion of Literature, Science, or the Fine Arts, or for the diffusion of useful knowledge, or for Charitable purposes; It is enacted as follows :—

I. Any seven or more persons associated for any Literary, Scientific, or Charitable purpose, or for any such purpose as is described in Section XX of this Act, may, by subscribing their names to a Memorandum of Association, and filing the same with the Registrar of Joint-Stock Companies under Act XIX of 1857, form themselves into a Society under this Act.

II. The Memorandum of Association shall contain the following things, (that is to say) —

The name of the Society.  
The objects of the Society.  
The names, addresses, and occupations of the Governors, Council, Directors, Committee, or other governing body to whom, by the Rules of the Society, the management of its affairs is entrusted. A copy of the Rules and Regulations of the Society, certified to be a correct copy by not less than three of the Members of the governing body, shall be filed with the Memorandum of Association.

III. Upon such Memorandum and certified copy being filed, the Registrar shall certify under his hand that the Society is registered under this Act.

There shall be paid to the Registrar for every such registration a fee of fifty Rupees, or such smaller fee as the Governor General of India in Council may from time to time direct; and all fees so paid shall be accounted for to Government.

IV. Once in every year, on or before the 14th day succeeding the day on which, according to the Rules of the Society, the Annual General Meeting of the Society is held, or if the Rules do not provide for an Annual General Meeting, in the month of January, a list shall be filed with the Registrar of Joint Stock Companies, of the names, addresses, and occupations of the Governors, Council, Directors, Committee, or other governing body then entrusted with the management of the affairs of the Society.

V. The property, moveable and immoveable, belonging to a Society registered under this Act, if not vested in trustees, shall be deemed to be vested, for the time being, in the governing body of such Society, and in all proceedings, Civil and Criminal, may be described as the property of the governing body of such Society by their proper title.

VI. Every Society registered under this Act may sue or be sued in the name of the President, Chairman, or Principal Secretary, or Trustees, as shall be determined by the Rules and Regulations of the Society, and in default of such determination, in the name of such person as shall be appointed by the governing body for the occasion; provided that it shall be competent for any person having a claim or demand against the Society, to sue the President or Chairman, or Principal Secretary or the Trustees thereof, if on application to the governing body some other Officer or person be not nominated to be the defendant.

VII. No suit or proceeding in any Civil Court shall abate or discontinue by reason of the person, by or against whom such suit or proceedings shall have

been brought or continued, dying or ceasing to fill the character in the name whereof he shall have sued or been sued, but the same suit or proceeding shall be continued in the name of or against the successor of such person.

VIII. If a judgment shall be recovered against the person or Officer named on behalf of the Society, such judgment shall not be put in force against the property, moveable or immovable, or against the body of such person or Officer, but against the property of the Society. The application for execution shall set forth the judgment, the fact of the party against whom it shall have been recovered having sued or having been sued, as the case may be, on behalf of the Society only, and shall require to have the judgment enforced against the property of the Society.

IX. Whenever by any Bye-law duly made in accordance with the Rules and Regulations of the Society, or, if the Rules do not provide for the making of Bye-laws, by any Bye-law made at a General Meeting of the Members of the Society convened for the purpose, (for the making of which the concurrent votes of three-fifths of the Members present at such Meeting shall be necessary), any pecuniary penalty is imposed for the breach of any Rule or Bye-law of the Society, such penalty, when accrued, may be recovered in any Court having jurisdiction where the defendant shall reside, or the Society shall be situate, as the governing body thereof shall deem expedient.

X. Any Member who may be in arrears of a subscription which according to the Rules of the Society he is bound to pay, or who shall possess himself of or detain any property of the Society in a manner or for a time contrary to such Rules, or shall injure or destroy any property of the Society, may be sued for such arrears or for the damage accruing from such detention, injury, or destruction of property in the manner herein before provided. But if the defendant shall be successful in any suit or other proceeding brought against him at the instance of the Society, and shall be adjudged to recover his costs, he may elect to proceed to recover the same from the Officer in whose name the suit shall be brought, or from the Society, and in the latter case shall have process against the property of the said Society in the manner above described.

XI. Any Member of the Society who shall steal, purloin, or embezzle any money or other property, or wilfully and maliciously destroy or injure any property of such Society, or shall forge any deed, bond, security for money, receipt, or other instrument, whereby the funds of the Society may be exposed to loss, shall be subject to the same prosecution, and if convicted shall be liable to be punished in like manner, as any person not a Member would be subject and liable to in respect of the like offence.

XII. Whenever it shall appear to the governing body of any Society registered under this Act, which has been established for any particular purpose or purposes, that it is advisable to alter, extend, or abridge such purpose to or for other purposes within the meaning of this Act, or to amalgamate such Society either wholly or partially

with any other Society, such governing body may submit the proposition to the Members of the Society in a written or printed report, and may convene a Special Meeting for the consideration thereof according to the Regulations of the Society; but no such proposition shall be carried into effect unless such report shall have been delivered or sent by post to every Member of the Society ten days previous to the Special Meeting convened by the governing body for the consideration thereof, nor unless such proposition shall have been agreed to by the votes of three-fifths of the Members delivered in person or by proxy, and confirmed by the votes of three-fifths of the Members present at a second Special Meeting convened by the governing body at an interval of one month after the former Meeting.

XIII. Any number not less than three-fifths of the Members of any Society may determine that it shall be dissolved, and thereupon it shall be dissolved forthwith, or at the time then agreed upon, and all necessary steps shall be taken for the disposal and settlement of the property of the Society, its claims, and liabilities, according to the Rules of the said Society applicable thereto if any, and, if not, then as the governing body shall find expedient, provided that, in the event of any dispute arising among the said governing body or the Members of the Society, the adjustment of its affairs shall be referred to the principal Court of original Civil jurisdiction of the District in which the chief building of the Society is situate; and the Court shall make such order in the matter as it shall deem requisite. Provided that no Society shall be dissolved unless three-fifths of the Members shall have expressed a wish for such dissolution by their votes delivered in person, or by proxy, at a general Meeting convened for the purpose. Provided that whenever the Government is a Member of, or a contributor to, or otherwise interested in any Society registered under this Act, such Society shall not be dissolved without the consent of Government.

XIV. If upon the dissolution of any Society registered under this Act there shall remain, after the satisfaction of all its debts and liabilities, any property whatsoever, the same shall not be paid to or distributed among the Members of the said Society or any of them, but shall be given to some other Society, to be determined by the votes of not less than three-fifths of the Members present personally or by proxy at the time of the dissolution, or in default thereof, by such Court as aforesaid; provided however that this Clause shall not apply to any Society which shall have been founded or established by the contributions of shareholders in the nature of a Joint-Stock Company.

XV. For the purposes of this Act a Member of a Society shall be a person who having been admitted therein according to the Rules and Regulations thereof, shall have paid a subscription, or shall have signed the roll or list of Members thereof, and shall not have resigned in accordance with such Rules and Regulations; but in all proceedings under this Act no person shall be entitled to vote or be counted as a Member whose subscription at

the time shall have been in arrear for a period exceeding three months.

XVI. The governing body of the Society shall be the Governors, Council, Directors, Committee, Trustees, or other body to whom by the Rules and Regulations of the Society the management of its affairs is entrusted.

XVII. Any Company or Society established for a Literary, Scientific, or Charitable purpose and registered under Act XLIII of 1850, or any such Society established and constituted previously to the passing of this Act but not registered under the said Act XLIII of 1850, may at any time hereafter be registered as a Society under this Act; subject to the proviso that no such Company or Society shall be registered under this Act unless an assent to its being so registered has been given by three-fifths of the Members present personally, or by proxy, at some General Meeting convened for that purpose by the governing body. In the case of a Company or Society registered under Act XLIII of 1850, the Directors shall be deemed to be such governing body. In the case of a Society not so registered, if no such body shall have been constituted on the establishment of the Society, it shall be competent for the Members thereof, upon due notice, to create for itself a governing body to act for the Society thenceforth.

XVIII. In order to any such Society as is mentioned in the last preceding Section obtaining registry under this Act, it shall be sufficient that the governing body file with the Registrar of Joint-Stock Companies under Act XIX of 1857, a Memorandum showing the name of the Society, the objects of the Society, and the names, addresses, and occupations of the governing body, together with a copy of the Rules and Regulations of the Society certified as provided in Section II, and a copy of the report of the Proceedings of the General Meeting at which the registration was resolved on.

XIX. Any person may inspect all documents filed with the Registrar under this Act on payment of a fee of one Rupee for each inspection; and any person may require a copy or extract of any document or any part of any document,

Certified copies. to be certified by the Registrar, on payment of two annas for every hundred words of such copy or extract; and such certified copy shall be *prima facie* evidence of the matters therein contained in all legal proceedings whatever.

XX. The following Societies may be registered under this Act, Charitable Societies, the Military Orphan Funds or Societies established at the several Presidencies of India, Societies established for the promotion of Science, Literature, or the fine Arts, for instruction, the diffusion of useful knowledge, the foundation or maintenance of Libraries or Reading-rooms for general use among the Members or open to the public, or public Museums and Galleries of Paintings and other works of Art, Collections of Natural History, Mechanical and Philosophical Inventions, Instruments, or Designs.

THE following Act, passed by the Legislative Council of India, received the assent of the Right Honorable the Governor General on the 21st May 1860, and is hereby promulgated for general information :—

Act No. XXII of 1860.

*An Act to remove certain tracts on the Eastern border of the Chittagong District from the jurisdiction of the tribunals established under the general Regulations and Acts.*

WHEREAS it is expedient to remove the Hilly and Forest tracts of country situated on the Eastern border of the District of Chittagong from the jurisdiction exercised by the Civil, Criminal, and Revenue Courts and Offices of that District, under the general Regulations and Acts of the Government; It is enacted as follows :—

I. The tracts of country described in the Schedule to this Act are hereby removed from the jurisdiction of the Courts of Civil and Criminal Judicature, and from the control of the Offices of Revenue constituted by the Regulations of the Bengal Code and the Acts passed by the Governor General of India in Council and the Legislative Council of India, as well as from the system of procedure prescribed for the said Courts and Offices by the Regulations and Acts aforesaid; and no Act hereafter passed by the Legislative Council of India relative to the constitution or procedure of the said Courts and Offices shall be deemed to extend to any part of the said tract, unless the same be specially named therein: provided that nothing herein contained shall extend to or affect any case now pending in any Court or Office.

II. The administration of Civil and Criminal justice and the superintendence of the settlement and realization of the public Revenue and of all matters relating to rent within the said tracts, are hereby vested in such Officer or Officers as the Lieutenant Governor of Bengal may for the purpose of tribunals of first instance or of reference and appeal appoint, and the Officer or Officers so appointed shall, in the matter of the administration and superintendence aforesaid, be subject to the direction and control of the Lieutenant Governor of Bengal, and be guided by such instructions as the Lieutenant Governor of Bengal may from time to time issue.

III. In disposing of any trial referred for disposal under this Section, the Sudder Court shall not call for the Futwah of its Law Officer, and shall pass such order as it may deem just and proper, so as that it shall not convict any person acquitted by the referring Officer, or enhance any sentence pronounced by him.

V. Any person liable to be imprisoned in any Civil or Criminal Jail or to be transported beyond sea under any order or sentence passed by any Officer or Court empowered as provided in this Act, may be imprisoned in any Civil or Criminal Jail or transported to any place which the Lieutenant Governor of Bengal may direct.

VI. When a question shall arise whether any place falls within the tracts described in the Schedule of this Act, it shall be competent to the Commissioner of Revenue for the District of Chittagong to consider and determine on which side of the described boundary the place aforesaid may lie, and the order made by the Commissioner shall be final.

### Military Department.

Fort William, the 29th May 1860.

No. 577 of 1860.—His Excellency the Governor General in Council is pleased to direct that an Examination shall be held, as soon as practicable after the receipt of the Order, in each of the Stations of the Bengal Presidency to which Superintending Surgeons are attached, for the purpose of filling up vacancies in the Military Class of the Medical College. The College Session commences on the 15th June.

2. All Candidates will be required to possess a knowledge of the Hindoostane language, sufficient to enable them to read and write common letters and petitions, and Hospital Registers of Sick, in the Devanagiri or Persian character, and to converse with a Sepoy in the Hindoostane language.

3. Although a knowledge of English will not be insisted on in all cases, a preference in selection is to be given to those Candidates who possess a competent knowledge of English, in addition to Hindoostane.

4. The preference in selection, attainments being equal, will also be given to those who have already been attached to or served in Civil or Regimental Hospitals. Beyond this, preference will not be given to men of any particular class; but respectable young men, especially those educated in the Schools of Behar, the North-Western Provinces and the Panjab, are encouraged to offer themselves, bringing certificates of character and acquirements from the Inspectors or Head Masters of the Schools.

5. Those holding such recommendations from the School Authorities, and certificates of physical fitness from the nearest Medical Officers, will not be required to appear before the Committees. As however the number who can be admitted to the College from each Division is very limited, it is necessary that the School Authorities should send

the papers of all Candidates, as soon as possible after the promulgation of this Order, to the Superintending Surgeon of the Division who, the recommendations being equal, will select, in preference, those whose nominations are earliest received.

6. The Examination is equally open to the sons of Soldiers, and of persons engaged in Civil occupations.

7. The Candidates must be between the ages of 15 and 20 years.

8. No Candidate will be allowed to present himself for examination who is physically unfit for the duties of a Soldier, and who cannot produce a written testimonial of his conduct and character. The strictest care and attention are to be exercised in examining the credentials of all Candidates who will, in addition, be required to bring regular Descriptive Rolls, in order that they may be identified.

9. The Superintending Surgeon is to prepare a General Roll (in the Form hereafter given) of all Candidates to be laid before the Committee, the Qualification Columns being left blank, for the Committee to fill up.

10. Committees for the examination of Candidates will be convened by the Officer Commanding the Station, upon the requisition of the Superintending Surgeon, and will consist of two Medical Officers and an Interpreter.

11. These examinations will, in future, be final as regards the admission of the Candidates into the Medical College, no subsequent examination in the College of Fort William being required.

12. Each passed Candidate is to be furnished by the Superintending Surgeon with a Descriptive Roll in the subjoined Form, which he is to present to the Principal of the College, and which will be his warrant for admission as a Student:—

After a service of seven years they may demand their discharge in time of peace.

21. In the event of their continuing to serve, their allowances will, after seven years, and upon undergoing a successful examination, be advanced to Rupees 25 in Garrison or at a Civil Station, and Rupees 30 in the Field.

### Notice.

IN a Notification by the Punjab Government, dated the 28th December 1859, it was intimated that of the extensive waste lands existing in the Kangra District, a considerable portion was well adapted for Tea Cultivation. Parties desirous of securing possession of waste land were invited to negotiate with Village Communities, and were promised the aid of an Officer, who would be deputed by Government to facilitate the transfer. Subsequently, in order to obviate the difficulties it was anticipated that Settlers might experience in purchasing lands direct from the Zemindars, the Local Authorities were authorized to purchase waste land for Government, "in view to its re-sale to Settlers. It is hereby notified that about 10,000 acres of land in the Kangra and Palum Valleys are now in the hands of Government. Of this quantity about 6,000 acres will be sold at Kangra on the 1st July next, by Public Auction, in Lots not exceeding 200 acres each, at certain upset prices, which, together with a detail of the Lots, will be advertized on or about the 1st June next.

WEDNESDAY, JUNE 6, 1860.

## Legislative Council of India.

THE 26TH MAY 1860.

THE following Act, passed by the Legislative Council of India, received the assent of the Right Honorable the Governor General on the 21st May 1860, and is hereby promulgated for general information:—

ACT No. XXI of 1860.

*An Act for the Registration of Literary, Scientific, and Charitable Societies.*

WHEREAS it is expedient that provision should be made for improving the legal condition of Societies established for the promotion of Literature, Science, or the Fine Arts, or for the diffusion of useful knowledge, or for Charitable purposes; It is enacted, as follows:—

I. Any seven or more persons associated for any Literary, Scientific, or Charitable purpose, or for any such purpose as is described in Section XX of this Act, may, by subscribing their names to a Memorandum of Association, and filing the same with the Registrar of Joint-Stock Companies under Act XIX of 1857, form themselves into a Society under this Act.

II. The Memorandum of Association shall contain the following things, (that is to say) —

The name of the Society.  
The objects of the Society.  
The names, addresses, and occupations of the Governors, Council, Directors, Committee, or other governing body to whom, by the Rules of the Society, the management of its affairs is entrusted. A copy of the Rules and Regulations of the Society, certified to be a correct copy by not less than three of the Members of the governing body, shall be filed with the Memorandum of Association.

III. Upon such Memorandum, and certified copy being filed, the Registrar shall certify under his hand that the Society is registered under this Act.

There shall be paid to the Registrar for every such registration a fee of fifty Rupees, or such smaller fee as the Governor General of India in Council may from time to time direct; and all fees so paid shall be accounted for to Government.

IV. Once in every year, on or before the 14th day succeeding the day on which, according to the Rules of the Society, the Annual General Meeting of the Society is held, or if the Rules do not provide for an Annual General Meeting, in the month of January, a list shall be filed with the Registrar of Joint Stock Companies, of the names, addresses, and occupations of the Governors, Council, Directors, Committee, or other governing body then entrusted with the management of the affairs of the Society.

V. The property, moveable and immoveable, belonging to a Society registered under this Act, if not vested in trustees, shall be deemed to be vested, for the time being, in the governing body of such Society, and in all proceedings, Civil and Criminal, may be described as the property of the governing body of such Society by their proper title.

VI. Every Society registered under this Act may sue or be sued in the name of the President, Chairman, or Principal Secretary, or Trustees, as shall be determined by the Rules and Regulations of the Society, and in default of such determination, in the name of such person as shall be appointed by the governing body for the occasion; provided that it shall be competent for any person having a claim or demand against the Society, to sue the President or Chairman, or Principal Secretary or the Trustees thereof, if on application to the governing body some other Officer or person be not nominated to be the defendant.

VII. No suit or proceeding in any Civil Court shall abate or be discontinued by reason of the death of the person, by or against whom such suit or proceedings shall have

been brought or continued, dying or ceasing to fill the character in the name whereof he shall have sued or been sued, but the same suit or proceeding shall be continued in the name of or against the successor of such person.

VIII. If a judgment shall be recovered against the person or Officer named on behalf of the Society, such judgment shall not be put in force against the property, moveable or immoveable, or against the body of such person or Officer, but against the property of the Society. The application for execution shall set forth the judgment, the fact of the party against whom it shall have been recovered having sued or having been sued, as the case may be, on behalf of the Society only, and shall require to have the judgment enforced against the property of the Society.

IX. Whenever by any Bye-law duly made in accordance with the Rules and Regulations of the Society, or, if the Rules do not provide for the making of Bye-laws, by any Bye-law made at a General Meeting of the Members of the Society convened for the purpose, (for the making of which the concurrent votes of three-fifths of the Members present at such Meeting shall be necessary), any pecuniary penalty is imposed for the breach of any Rule or Bye-law of the Society, such penalty, when accrued, may be recovered in any Court having jurisdiction where the defendant shall reside, or the Society shall be situate, as the governing body thereof shall deem expedient.

X. Any Member who may be in arrear of a subscription which according to the Rules of the Society he is bound to pay, or who shall possess himself or detain any property of the Society in a manner or for a time contrary to such Rules, or shall injure or destroy any property of the Society, may be sued for such arrear or for the damage accruing from such detention, injury, or destruction of property in the manner hereinbefore provided. But if the defendant shall be unsuccessful in any suit or other proceeding brought against him at the instance of the Society, and shall be adjudged to recover his costs, he may elect to proceed to recover the same from the Officer in whose name the suit shall be brought, or from the Society, and in the latter case shall have process against the property of the said Society in the manner above described.

XI. Any Member of the Society who shall steal, purloin, or embezzle any money or other property, or wilfully and maliciously destroy or injure any property of such Society, or shall forge any deed, bond, security for money, receipt, or other instrument, whereby the funds of the Society may be exposed to loss, shall be subject to the same prosecution, and if convicted shall be liable to be punished in like manner, as any person not a Member would be subject and liable to in respect of the like offence.

XII. Whenever it shall appear to the governing body of any Society registered under this Act, which has been established for any particular purpose or purposes, that it is advisable to alter, extend, or abridge such purpose to or for other purposes within the meaning of this Act, or to amalgamate such Society either wholly or partially

with any other Society, such governing body may submit the proposition to the Members of the Society in a written or printed report, and may convene a Special Meeting for the consideration thereof according to the Regulations of the Society; but no such proposition shall be carried into effect unless such report shall have been delivered or sent by post to every Member of the Society ten days previous to the Special Meeting convened by the governing body for the consideration thereof, nor unless such proposition shall have been agreed to by the votes of three-fifths of the Members delivered in person or by proxy, and confirmed by the votes of three-fifths of the Members present at a second Special Meeting convened by the governing body at an interval of one month after the former Meeting.

XIII. Any number not less than three-fifths of the Members of any Society may determine that it shall be dissolved, and thereupon it shall be dissolved forthwith, or at the time then agreed upon, and all necessary steps shall be taken for the disposal and settlement of the property of the Society, its claims, and liabilities, according to the Rules of the said Society applicable thereto if any, and, if not, then as the governing body shall find expedient; provided that, in the event of any dispute arising among the said governing body or the Members of the Society, the adjustment of its affairs shall be referred to the principal Court of original Civil jurisdiction of the District in which the chief building of the Society is situate; and the Court shall make such order in the matter as it shall deem requisite. Provided that no Society shall be dissolved unless three-fifths of the Members shall have expressed a wish for such dissolution by their votes delivered in person, or by proxy, at a general Meeting convened for the purpose. Provided that whenever the Government is a Member of, or a contributor to, or otherwise interested in any Society registered under this Act, such Society shall not be dissolved without the consent of Government.

XIV. If upon the dissolution of any Society registered under this Act there shall remain, after the satisfaction of all its debts and liabilities, any property whatsoever, the same shall not be paid to or distributed among the Members of the said Society or any of them, but shall be given to some other Society, to be determined by the votes of not less than three-fifths of the Members present personally or by proxy at the time of the dissolution, or in default thereof, by such Court as aforesaid; provided however that this Clause shall not apply to any Society which shall have been founded or established by the contributions of shareholders in the nature of a Joint-Stock Company.

XV. For the purposes of this Act a Member of a Society shall be a person who having been admitted therein according to the Rules and Regulations thereof, shall have paid a subscription, or shall have signed the roll or list of Members thereof, and shall not have resigned in accordance with such Rules and Regulations; but in all proceedings under this Act no person shall be entitled to vote or be counted as a Member whose subscription at

the time shall have been in arrear for a period exceeding three months.

XVI. The governing body of the Society shall be the Governors, Council, Directors, Committee, Trustees, or other body to whom by the Rules and Regulations of the Society the management of its affairs is entrusted.

XVII. Any Company or Society established for a Literary, Scientific, or Charitable purpose and registered under Act XLIII of 1850, or any such Society established and constituted previously to the passing of this Act but not registered under the said Act XLIII of 1850, may at any time hereafter be registered as a Society under this Act; subject to the proviso that no such Company or Society shall be registered under this Act unless an assent to its being so registered has been given by three-fifths of the Members present personally, or by proxy, at some General Meeting convened for that purpose by the governing body. In the case of a Company or Society registered under Act XLIII of 1850, the Directors shall be deemed to be such governing body. In the case of a Society not so registered, if no such body shall have been constituted on the establishment of the Society, it shall be competent for the Members thereof, upon due notice, to elect for its self a governing body to act for the Society thenceforth.

XVIII. In order to any such Society as is mentioned in the last preceding Section obtaining to getry under this Act, it shall be sufficient that the governing body file with the Registrar of Joint-Stock Companies under Act XIX of 1857, a Memorandum showing the name of the Society, the objects of the Society, and the names, addresses, and occupations of the governing body, together with a copy of the Rules and Regulations of the Society certified as provided in Section II, and a copy of the report of the Proceedings of the General Meeting at which the registration was resolved on.

XIX. Any person may inspect all documents filed with the Registrar under this Act on payment of a fee of one Rupee for each inspection; and any person may require a copy or extract of any document or any part of any document,

Certified copies. to be certified by the Registrar, on payment of two annas for every hundred words of such copy or extract; and such certified copy shall be *prima facie* evidence of the matters therein contained in all legal proceedings whatever.

IN a Notification by the Punjab Government, dated the 28th December 1859, it was intimated that of the extensive waste lands existing in the Kangra District, a considerable portion was well adapted for Tea Cultivation. Parties desirous of securing possession of waste land were invited to negotiate with Village Communities, and were promised the aid of an Officer, who would be deputed by Government to facilitate the transfer. Subsequently, in order to obviate the difficulties it was anticipated that Settlers might experience in purchasing lands direct from the Zemindars, the Local Authorities were authorized to purchase waste land for Government, in view to its re-sale to Settlers. It is hereby notified that about 10,000 acres of land in the Kangra and Palum Valleys are now in the hands of Government. Of this quantity about 6,000 acres will be sold at Kangra on the 1st July next, by Public Auction, in Lots not exceeding 200 acres each, at certain upset prices, which, together with a detail of the Lots, will be advertized on or about the 1st June next.

OFFICE OF THE DIRECTOR-GENERAL  
OF THE POST OFFICE IN INDIA,  
January 1st, 1859.

THE following Conditions are to be observed in sending Book-Packets by Post :—

1st.—The Postage must be pre-paid in full, by means of Postage Stamps affixed outside the Packet on its cover.

2nd.—Every Packet must be sent either without a cover, or in a cover open at the ends or sides, so as to admit of the enclosures being removed for examination.

3rd.—The Packet may contain any number of separate books or other publications, prints or maps, and any quantity of paper, parchment or vellum (to the exclusion, however, of letters whether sealed or open) and the books or other publications, prints, maps, &c., may be either printed, written or plain, or any mixture of the three. Further, all legitimate binding, mounting, or covering of a book, publication, &c., or of a portion thereof, will be allowed, whether such binding, &c., be loose or attached; as also rollers in the case of prints or maps, markers (whether of paper or otherwise) in the case of books; and in short whatever is necessary for the safe transmission of literary or artistic matter or usually appertains thereto.

4th.—The Packet must not contain any letter, closed or open, or any enclosure sealed or otherwise closed against inspection, nor must there be any letter, or any communication of the nature of a letter, written or printed in any such Packet or on its cover. Entries, however, merely stating who sends the book, &c., or to whom it is given, are not regarded as a letter.

5th.—No Book-Packet can be received if it exceeds two feet in length, width, or depth.

6th.—Any Packet which shall not be open at the ends or sides, or shall have any letter or any communication of the nature of a letter written or printed in it or upon its cover will be charged with Letter Postage.

7th.—If a Packet be found to contain any letter, whether closed or open, or any enclosure sealed or otherwise closed against inspection, or any other unauthorized enclosure, the letter or enclosure will be taken out and forwarded to the address on the Packet, charged with full Postage as an unpaid letter together with an additional Book-rate; that is, with the Postage chargeable on a Book weighing not more than half a lb, the remainder of the Packet, if duly pre-paid with Stamps, will then be forwarded to its address.

8th.—If a Packet be not sufficiently pre-paid with Stamps but nevertheless bear Stamps equal to a single Book-rate, it will be forwarded charged with the deficient Book-Postage together with an additional Book-rate; but any Packet which shall not bear Postage Stamps equal to a single Book-rate will be detained and charged with the Letter Postage.

9th.—No Book-Packet weighing more than three lbs can be sent to or from the East Indies or to New South Wales.

10th.—The Colonial Book-Post extends to those Colonies only which are so marked in the Table of Colonial and Foreign Postage.

11th.—In no case can a Book-Packet be sent to the Colonies (except at the letter rate of Postage,) through a Foreign Country.

SPECIAL Notice is directed to the subjoined Clauses of Rules, the want of attention to which has occasioned the Post Office much inconvenience.

2nd.—A separate instruction will be required for every change of address, and no instruction will be attended to for more than three months after its receipt.

3rd.—Under Section XXIII. of Act XVII. of 1854, Forward Postage will be charged in addition to all other Postage due or paid thereon upon every letter without exception, which may be re-directed in any Post Office. For example, if a letter posted in Calcutta and addressed to Hooghly is, under instructions which may have been received from the addressee, re-directed in the Calcutta Post Office and sent to Barrackpore, Forward Postage will be charged in addition to the Postage which would have been due, had the letter been despatched to Hooghly according to its original address.

4th.—The practice of giving instructions to the Officers of the Post Office to intercept and re-direct letters, not only imposes much labor upon them, but in large Offices seriously retards the delivery and despatch of the Mails. A register of instructions regarding changes of address will be kept in every Post Office, but it must be understood, that it is impossible to guarantee that they shall be attended to, except in the case of letters received for delivery.

THERE is only one delivery of letters at the General Post Office on Sundays, and Banghy Parcels are neither received nor despatched on that day.

LETTERS and Newspapers despatched to and from the United Kingdom by private Vessels are liable to the following rates of Postage which must be pre-paid by Stamps:—

|  | Rs. | As. | Pie. |
|--|-----|-----|------|
| Letters not exceeding $\frac{1}{2}$ oz. in weight  | ... | 0   | 4 0  |
| Ditto exceeding $\frac{1}{2}$ oz. but not exceeding 1 oz.                                | ... | 0   | 8 0  |
| And so on adding 8 annas for each oz. or fraction thereof which includes Inland Postage. |     |     |      |

Newspapers not exceeding 4 oz. in weight, 2d. or 10 pie must be pre-paid in cash, and no Inland Postage is required upon such papers.

Parcels conveyed by the above opportunity for the United Kingdom are liable to Letter rates of Postage.

### Notice.

THE following is an Extract of an Order of the Government of India, No. 884 of the 13th July 1855:—

“No Public Officer is authorized to send Covers on the Public Service by Post, without payment of Postage, unless he is at the time on active duty and in charge of the Office by virtue of which the privilege is enjoyed. All letters superscribed as ‘on the Public Service only’ must, even though the Postage thereon be not paid, be received and opened by the Officer to whom they are addressed, but if any such, or partially paid letter so superscribed, and addressed to any Officer except a Secretary to Government be found when opened, to relate to the private affairs of the Sender, the Postage will be debited to him and he will be further liable to be dealt with under Section XLVII., Act No. XVII. of 1854.

His Honor in Council further directs that unpaid or insufficiently paid letters addressed to any such Officer or Department and not superscribed “on the Public Service only” be refused, or if opened that it be at the risk and cost of the opener.”

LETTERS arriving at the Presidency Towns by Mail Steamers will be immediately sorted for delivery according to the address alone, without any reference to instructions which may have been received regarding change of address; such changes will be left to be discovered by the Delivery Officers, and be corrected in the forward and unclaimed Departments of the Office.

Forward Postage will be charged in addition to all other Postage due or paid thereon, upon every letter, without exception, which may be re-directed in the Post Office.

Letters, &c., received by the Steamer will be delivered at the Window of the Post Office only to parties who have registered their names. Applications to the Post Office on the day of the Steamer's arrival to intercept and re-direct letters, &c., cannot be attended to, as they are found not only to impose much labour but seriously retard the delivery and despatch of the Mails.

UNDER the orders of Government, no fourth delivery of letters by the Post Office is allowed. Mails which are received by Steamers from Suez at so late an hour in the day as not to admit of the letters being taken out for delivery by 6 P. M. are detained till the following morning, but parties who have registered their names under the usual fee, are entitled to receive their letters and Marseilles Newspapers so soon as the Mails are sorted, and which is generally about 2½ hours after receipt of the Mail, at the Post Office.

*Forward Newspapers.*—Extra or Forward Postage is chargeable on every Newspaper re-directed at the Post Office of original address and forwarded to another Post Office.

MAILS for Akyab, Rangoon and Moulmein are made up on the 3rd and 13th of each month, for transmission by the Contract Steamers or by Government Vessels, which sail on the morning of the 4th and 20th, unless the Contractors choose to postpone the departure for 48 hours, of which they have the power on making a requisition.

NOTICE.

In continuation of the Notice of this Office, advertised on the 4th instant, it is hereby Notified that the following Lots of land will be sold by Auction at the upset prices quoted in the annexed Statement, on the 2nd July 1860, at the Government Kucherry at Dhurmala. The out-turn is not so large as was estimated. The Government does not guarantee the accuracy of the measurements. \* They have been as correctly made as the character of the land and the machinery at disposal would admit of, and it is believed that each Lot contains pretty nearly the quantity of land shown opposite it. Still Government does not vouch for the correctness of the measurements.

The following are the conditions of Sale :—

1st. Half the price to be paid within two days, and the remainder within one month.

2nd. Purchasers are to make a ditch or hedge round their Lots, in order to prevent the encroachment of cattle. If they fail to do so they will not be entitled to damages for cattle trespassing.

3rd. The boundary pillars of the Lots are to be maintained in repair by the purchasers.

4th. No revenue will be demanded by Government on the land sold, during the currency of the present settlement, which has yet nineteen years to run ; and the assessment to be fixed on the expiry of the current settlement will not exceed one rupee per acre.

5th. All standing timber will be sold with the Lot, and will be at the absolute disposal of the purchaser. The Local Forest Conservancy Rules will not be enforced as regards the land sold.

6th. The right of Government to all Minerals and to the control of Streams is reserved.

#### Notice.

In a Notification by the Punjab Government, dated the 25th December 1859, it was intimated that of the extensive waste lands existing in the Kangra District, a considerable portion was well adapted for Tea Cultivation. Parties desirous of securing possession of waste land were invited to negotiate with Village Communities, and were promised the aid of an Officer, who would be deputed by Government to facilitate the transfer. Subsequently, in order to obviate the difficulties it was anticipated that Settlers might experience in purchasing lands direct from the Zemindars, the Local Authorities were authorized to purchase waste land for Government, in view to its re-sale to Settlers. It is hereby notified that about 10,000 acres of land in the Kangra and Palum Valleys are now in the hands of Government. Of this quantity about 6,000 acres will be sold at Kangra on the 1st July next, by Public Auction, in Lots not exceeding 200 acres each, at certain upset prices, which, together with a detail of the Lots, will be advertized on or about the 1st June next.
